On page 11, line 6, please delete "further" and substitute -- preferred -- therefor.

In the Claims:

Please cancel claims 1-64.

Please add new claims 65-82.

-- Claim ~~65~~. A prepackaged therapeutic regimen comprising:

- (a) a non-sedating first dosage unit, which includes a nasal decongestant;
- (b) a second dosage unit which does not include a nasal decongestant and includes an antihistamine;
- (c) indicia for distinguishing between said first and second dosage units;
- (d) administration instructions for the use of said dosage units as a rhinitis regimen, such that said first dosage unit is instructed for daytime administration and said second dosage unit is instructed for nighttime administration; and
- (e) a pharmaceutical dispensing container prefilled with said dosage units and incorporating said indicia and instructions.

Claim ~~66~~². The prepackaged therapeutic regimen of Claim ~~65~~¹ wherein said antihistamine is non-sedating.

Claim ~~67~~³. The prepackaged therapeutic regimen of Claim ~~65~~¹ wherein said antihistamine is sedating.

Claim ~~68~~⁴. The prepackaged therapeutic regimen of Claim ~~65~~¹ wherein said antihistamine is chlorpheniramine.

Claim ~~69~~⁵. The prepackaged therapeutic regimen of Claim ~~65~~¹ wherein said decongestant is pseudoephedrine.

Claim ~~70~~⁴. The prepackaged therapeutic regimen of Claim ~~65~~¹ wherein said decongestant is phenylpropanolamine.

Claim ~~71~~⁷. The prepackaged therapeutic regimen of Claim ~~65~~¹ wherein said dispensing container is a blister pack.

Claim ~~72~~⁸. The prepackaged therapeutic regimen of Claim ~~65~~¹ wherein said dispensing container incorporates bottles containing liquid medications.

Claim ~~73~~⁹. The prepackaged therapeutic regimen of Claim ~~65~~¹ wherein said dispensing container incorporates bottles containing solid medications.

Claim ~~74~~¹⁰. A method for rhinitis treatment comprising the steps of:

(a) formulating a rhinitis treatment regimen comprising a non-sedating first dosage unit which includes a nasal decongestant, and a second dosage unit which does not include a nasal decongestant and includes an antihistamine;

(b) providing indicia for distinguishing between said first and second dosage units;

(c) providing administration instructions for the use of said dosage units, such that said first dosage unit is instructed for daytime administration; and said second dosage unit is instructed for nighttime administration; and

(d) prefilling a pharmaceutical dispensing container with said first and second dosage units and incorporating said indicia and instructions in said dispensing container for a user.

Claim ~~75~~¹¹. The method of Claim ~~74~~¹⁰ wherein said antihistamine is non-sedating.

Claim ~~76~~¹². The method of Claim ~~74~~¹⁰ wherein said antihistamine is sedating.
